

POWERMITE PRODUCTS

OUR PRODUCTION AND DISTRIBUTION RANGE

ELECTRIC CABLES

LOW TENSION

up to 1200V

- Instrumentation Cables
- Data Transmission Cables
- Electronic Cables
- Control Cables
- Dragchain Cables
- Braided Cables
- Screened Cables
- Welding Cables
- Trailing Cables
- Battery Charging Cables
- Mining Cables
- Scoop Cables
- Neoprene Cables
- Reeling Drum Cables for Power and Control
- Heat Resistance Cables
- Silicone Cables
- Teflon Cables
- Polyurethane Cables
- Halogen Free Cables
- Submersible Cables
- Marine Cables
- Navy Cables
- Special Designs
- ABC Cables
- Lift Cables
- 400 Hz Cables

FIBRE OPTIC MATERIAL

- OPGW (optical fibre ground wire)
- ADSS (all dielectric self-supporting cable)
- Ductcable, indoor
- Ductcable, outdoor
- Patchpanels, Pigtaills, Patch Leads
- Connectors
- Installations, Testing

HIGH TENSION

1.9 – 35 kV

- Trailing Cables
- XLPE Cables
- Paper Cables
- Low Pressure Oil Filled Cables
- Dragline Cables
- Marine Cables
- Navy Cables
- ABC XLPE insulated Cables

SUPER TENSION

42 – 420 kV

- Low Pressure Oil Filled Cables
- XLPE Cables
- Gas Filled Cables

TELECOMM. CABLES

- Telephone Cables
- Trunk Cables
- Local Network Cables
- Railway Telecom Cables
- Mining Telecom Cables
- Plastic Insulated Cables
- Signal Cables
- Differential Protection Cables
- Pipe Line Cables
- Switchboard Cables
- Coaxial Cables
- Radio Frequency Designs
- Self Supporting Aerial Cables
- Optical Fibre Cables
- Bamboo Cables
- Leaky Cables

Plugs -  AMPCO®

Sockets -  AMPCO®

Connectors-  AMPCO®
